The nominations for candidates concluded on April 13th. In total, 1,075 candidates were nominated for the positions of 111 mayors and 572 councillors, and 305 candidates offered for 245 School Board Trustee and Community Board member positions.

I would like to take this opportunity to congratulate all successful candidates, and to thank the election administration staff, enumerators and poll workers throughout the province for the conduct of an excellent and fair election process.
