SPECIAL BALLOTS

Special ballots, which are available at all returning offices, provide electors with additional voting options throughout the election period.

Using a special ballot, a qualified elector may vote at any returning office in the province for a candidate in the electoral district where the elector is qualified to vote. This option is available throughout the entire election period, except Sundays.

The offices are open 6 days a week (Mon-Fri 9 a.m.-7 p.m., Sat 10 a.m.-5 p.m.).

ACCESSIBILITY

All returning offices are equipped with technology to assist and encourage electors with special needs to vote. This includes audio-vote technology with various user controls such as hand or foot controls, Braille controls, or the sip & puff straw. (Audio vote technology will be available starting Monday, October 7, 2024)

All returning offices are equipped with pocket talker amplifiers, Braille ballot facsimiles and magnifiers.

All polling stations are equipped with Braille ballot facsimiles and magnifiers. An elector may also have a friend assist with marking their ballot. The friend must take an oath and may only assist one elector in an election.

Visual language (ASL/LSQ) services are also available by appointment only during advance polling and on Election Day. To book an appointment call:

New Brunswick Deaf & Hard of Hearing.
