ELECTION DAY

Monday, May 11

Polls are open all days from 10:00 a.m. until 8:00 p.m. Bring your voter information card with you for faster service.

RETURNING OFFICE VOTING

Starting April 20, electors have the option to cast their vote at any of the 18 returning offices opened province-wide. The returning office can provide an elector from any part of the province with a ballot containing the contests in which they are eligible to vote.

Returning offices are open 6 days a week up to and including election day.

NOTICE OF GRANT OF POLL (MUNICIPAL ELECTIONS ACT, SNB 1979, C. M-21.01, S. 20(1))

Voter Information Cards

Voter Information Cards will be sent to registered electors starting the week of April 27, 2026. Any elector who has not received a card by May 1, confirming that they are on the voters list, may contact Elections NB or their local returning office, between the hours of 9 a.m. and 7 p.m. Monday to Friday or 10 a.m. and 5 p.m. on Saturdays.

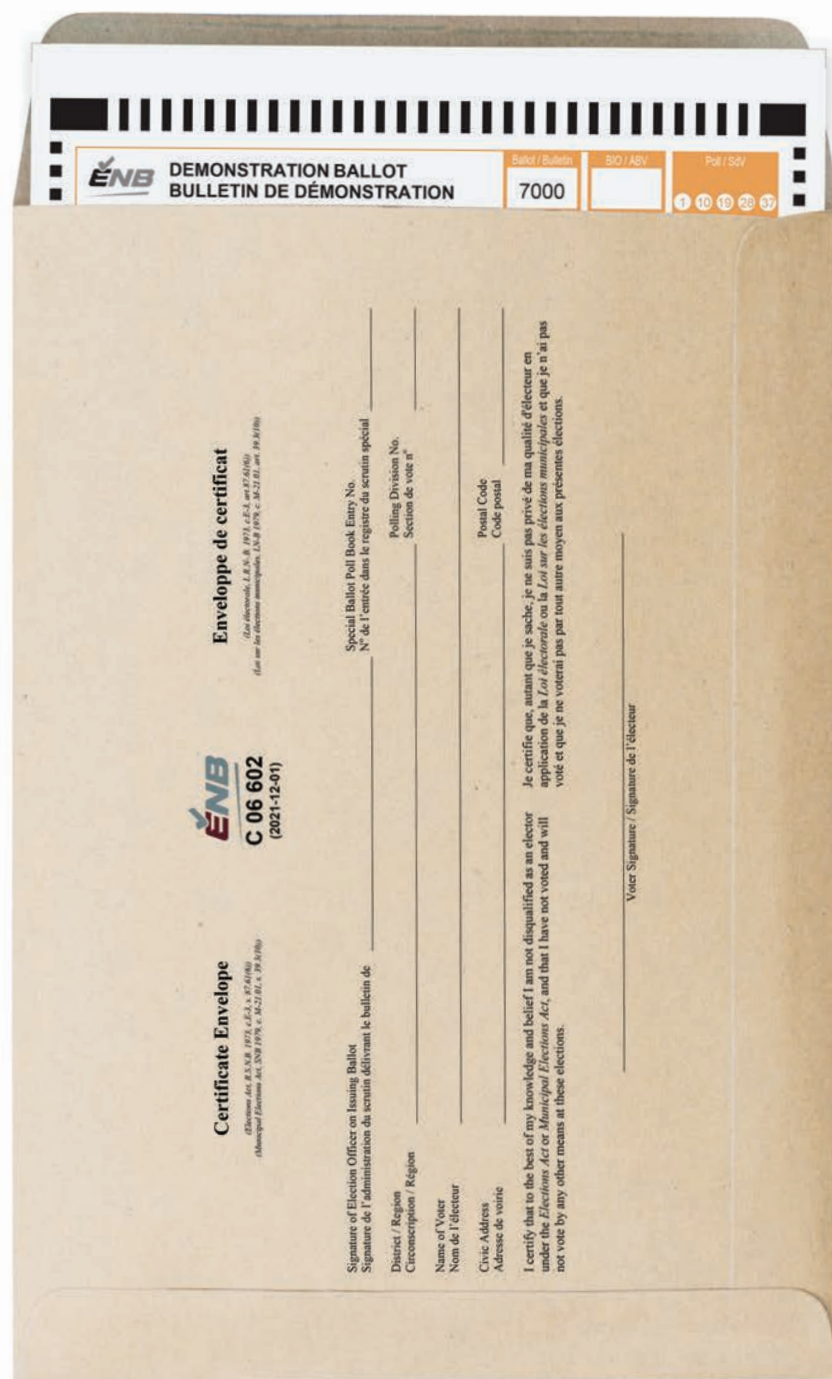

Revision of Voters List

The voters list is open for revision until May 7, 2026. Any updates received by that deadline will be included on the list of electors used at polling stations on Election Day.

VOTE BY MAIL

If you are unable to vote in person, you have the option to vote by mail.

During an election, you can apply to vote by mail by using an online portal on our website or by downloading form M 06 101 to request a special ballot and send it to the local returning office in the region where you are eligible to vote.

ACCESSIBILITY

Elections New Brunswick offers a variety of options to assist voters with a physical or cognitive disability. Please join our efforts to improve voting accessibility for the people of New Brunswick by spreading the word throughout your community about the voting options and accommodations available.

You may vote with the aid of:

- a personal assistive communication device such as an e-reader or magnifying app
- a support worker, family member, or friend to help you
- a sign language interpreter (by appointment only)
- a large grip, scent-reduced marker
- a mail-in ballot

An election officer may also assist a voter in marking their ballot.

Curbside Voting

Elections NB makes every effort to provide accessible voting places throughout the province. However, some voting places may still present barriers for some voters. A voter who is unable to access a voting place may request curbside voting. The poll supervisor will arrange to have the ballot brought to the individual's vehicle so they can vote and cast their ballot.

Audio Vote (Returning Office Only)

Individuals are able to vote independently using an audio vote session that is only available at returning offices. While wearing headphones, the voter listens to voting instructions and makes their selection privately using one of the following devices:

- a braille controller with an audio ballot
- sip and puff technology with an audio ballot
- paddles with an audio ballot
